

WELCOME FROM THE PRESIDENT

Welcome to Shelton State Community College!

As your community college, we are dedicated to the success of our students and to a promising future for the communities throughout West Alabama. We are focused on possibility, motivated by opportunity, and committed to moving forward on a journey that will allow the College to grow, adapt, and thrive. You are a vital part of all these components.

You will find that Shelton State is home to a diverse population and a broad range of academic, career, and service options. It is a place for you to connect with caring faculty and staff who want to enhance your education and encourage the expressions of your talents. It is where you'll discover resources to build the foundation of your

career or business. It can be your new beginning or your finish line. Whatever your goal, we are prepared to help you reach it.

Many factors enhance our College, but the people we serve - our employees, students, business and industry partners, and community members - are its greatest asset. I sincerely believe that the strength of Shelton State is found in those who continually move us toward success and service, and I invite you to be a part of this tradition.

Go Bucs!

A handwritten signature in black ink that reads "William J. Ashley". The signature is written in a cursive, flowing style.

William J. Ashley, Ph.D.

President, Shelton State Community College
